个人简介 Profile

Early-career software engineer with hands-on experience building responsive web applications and REST APIs. Comfortable collaborating in agile teams, writing tested code, and learning unfamiliar tools quickly. Seeking an entry-level role contributing to reliable consumer-facing software in China's growing tech sector.

技术技能 Technical Skills

Languages: Python, JavaScript, TypeScript, SQL, HTML, CSS
Frameworks: Vue.js, Node.js, Express, Flask
Tools: Git, GitHub Actions, Docker, MySQL, Figma, Tapd

工作经历 Experience

Software Engineering Intern Jul 2025 – Feb 2026
Cascade Digital Technology Co., Ltd., Beijing

- Built Vue.js interface components for a client portal used by approximately 1,300 monthly users.
- Implemented Express API endpoints and MySQL queries for account-management workflows.
- Added unit tests with Jest and helped raise coverage for a core service from 55% to 74%.
- Participated in sprint planning, code reviews, and weekly demos with product and design teams.

Computer Science Teaching Assistant Sep 2023 – Jun 2025
Beijing University of Posts and Telecommunications, Beijing

- Guided undergraduate students through programming, data structures, and debugging fundamentals.
- Created practice exercises and concise study guides for Python and object-oriented programming.

精选项目 Selected Projects

排队通 (QueueLink) — Appointment Scheduling App GitHub

- Developed a full-stack booking application with Vue.js, Flask, MySQL, and JWT authentication.
- Designed calendar availability logic and SMS confirmations; deployed the application with Docker.

校园集市 (Campus Bazaar) — Student Marketplace GitHub

- Created a TypeScript marketplace prototype with listing search, saved items, and role-based dashboards.
- Collaborated with three classmates using pull requests, issue tracking, and a two-week sprint cadence.

教育背景 Education

BS, Computer Science 2022 – 2025
Beijing University of Posts and Telecommunications Graduated with Honors

其他信息 Additional

Certifications: AWS Certified Cloud Practitioner (2025)
Activities: Women in Tech mentoring volunteer; university hackathon finalist (2024)
