KEVIN JONES

South Africa | kevindoesstuff@yahoo.com | Available for opportunities within reasonable commuting distance

PROFESSIONAL PROFILE

Versatile and resilient operations professional with broad experience across hospitality, retail, delivery, warehousing, administration and contact-centre environments. Brings a practical, service-oriented approach, strong adaptability and the ability to move quickly between customer-facing and operational responsibilities. Experienced in working independently, resolving routine issues and contributing reliably in varied workplace settings.

PROFESSIONAL EXPERIENCE

Multi-Sector Operations Professional | Contract, Temporary & Permanent Roles
2016–2025
• Built cross-functional experience in hospitality, retail, delivery services, warehousing and administrative support roles.
• Adapted rapidly to changing workflows, customer requirements and operational expectations across multiple industries.
• Supported customer service, logistics, stock handling, administrative tasks and day-to-day site operations.
• Developed practical judgement, resilience and a solution-focused approach through exposure to diverse work environments.

Customer Service Consultant | Contact Centre
2023
• Managed outbound customer conversations using structured scripts, compliance guidance and professional telephone etiquette.
• Presented products and services clearly while identifying customer needs and responding to common questions.
• Maintained composure in high-volume interactions and developed strong listening, communication and objection-handling skills.
• Contributed to sales activity, including a successful policy conversion during the role.

EDUCATION

Secondary School Diploma
Completed
