Naledi Mokoena

Data Analyst

n.mokoena@email.com | 4.1 years of quantifiable experience

SUMMARY

4.1 years of experience across 2.3 industries, delivering 34 models with 91.2% average accuracy (sigma=2.8). Increased reporting efficiency by 47% (95% CI: 40-54%) across 6 projects. Reduced manual reporting time by 22.5 hours/week, processed 180 million rows using 2 distributed clusters at p95 latency of 210ms.

EXPERIENCE

Data Analyst, QuantiCorp *2023 - 2026 (1096 days)*

- Built 14 regression models (R^2 avg=0.79, std dev=0.06).
- Ran 58 A/B tests, 41% statistically significant at alpha=0.05.
- Optimized 4 reporting pipelines cutting manual work by 38.6% (9.2 hrs/week saved).
- Presented 22 dashboards to 8 stakeholders across 4 quarters.

Junior Data Analyst, NumberWorks Analytics *2021 - 2023 (2.1 years)*

- Ran 312 hypothesis tests supporting quarterly reporting.
- Forecast error MAPE=5.8%. Maintained 99.1% uptime on 3 pipelines.

EDUCATION

B.Sc. Applied Mathematics (thesis: 62 pages, 8 citations), Stellenbosch University, 2021 (GPA 3.6/4.00)

Completed 6 semesters, 42 modules, average mark 78.4%

CERTIFICATIONS & TRAINING

Google Data Analytics Certificate (94% final assessment score), 2022

Tableau Desktop Specialist (scored 87/100), 2023

Completed 1,204 hours of self-directed statistics coursework (tracked via spreadsheet)

SKILLS

Python (7.8), R (7.2), SQL (8.4), Statistics (8.1), Excel (9.0), Tableau (6.9)

HOBBIES & INTERESTS

Running (personal best: 21.4km in 1hr 52min), chess (rated 1450), tracking daily step count (avg 11,320/day), spreadsheet-based budgeting (37 categories)
