TAYLOR OKAFOR

Senior Software Engineer

taylor.okafor.engineer@gmail.com | 072 555 0192 | Cape Town, SA | linkedin.com/in/taylorokafor

SUMMARY

Senior software engineer with 8 years of experience designing and scaling backend systems in Python, Java, and Go. Led cross-functional teams of up to 7 engineers delivering high-throughput distributed systems for fintech and e-commerce platforms. Track record of reducing infrastructure costs, improving system reliability, and mentoring engineers into senior roles.

EXPERIENCED

EXPERIENCE

Senior Software Engineer — TechCorp Solutions

2019 - 2026

- Led the redesign of a monolithic payments platform into a microservices architecture, reducing deployment time by 70% and supporting 3M+ daily transactions.
- Managed a team of 7 engineers across two time zones, establishing code review standards that cut p
- Architected a real-time fraud detection pipeline processing 500K events/second using Kafka and Flink, reducing fraud losses by $1.2M annually.
- Mentored 6 engineers into senior roles through structured 1:1s and technical growth plans.

Software Engineer II — DataForge Systems

2016 - 2019

- Built and maintained RESTful APIs powering a logistics platform used by 40,000+ businesses.
- Reduced average API response time from 800ms to 150ms through query optimization and caching strategy overhaul.
- Implemented CI/CD pipelines using Jenkins and Docker, cutting release cycle time from 2 weeks to 2 days.
- Collaborated with product and design teams to ship 12 major feature releases with zero critical post-launch

Software Engineer — Meridian Analytics

2014 - 2016

- Developed ETL pipelines processing 10TB+ of data daily for enterprise clients.
- Wrote automated test suites that increased code coverage from 52% to 91%.
- Contributed to migration from on-premise infrastructure to AWS, cutting hosting costs by 35%.

EDUCATION

M.Sc. Computer Science, University of Cape Town, 2014 (specialization in Distributed Systems)

B.Sc. Computer Science, University of Cape Town, 2012 (Cum Laude, GPA 3.8/4.0)

CERTIFICATIONS

AWS Certified Solutions Architect - Professional, 2022

Certified Kubernetes Administrator (CKA), 2021

Google Cloud Professional Data Engineer, 2020

SKILLS

Python Java Go Kubernetes AWS GCP PostgreSQL Kafka Redis Docker Terraform System Design Team *Leadership*

HOBBIES & INTERESTS

Competitive amateur chess, weekend fishing trips, home automation projects, casual video games, community football league
