PROFESSIONAL PROFILE

Adaptable operations and customer-service professional with hands-on supervisory experience in a fast-paced vehicle-services environment. Brings practical team coordination, client issue resolution, workplace organisation and an entrepreneurial understanding of financial markets. Known for maintaining a positive customer experience and taking ownership during day-to-day operational demands.

PROFESSIONAL EXPERIENCE

Acting Assistant Manager | Uncle Dave's Car Wash
2019–2020
• Supported daily site operations, coordinating staff coverage and maintaining service continuity during management absences.
• Helped oversee customer-facing standards, responding constructively to service concerns and escalating issues where appropriate.
• Contributed to team morale and a positive workplace environment through clear communication and an approachable leadership style.
• Assisted with operational organisation, workflow prioritisation and consistent delivery of vehicle-cleaning services.

Independent Digital-Asset Researcher | Self-Directed
2021–Present
• Conduct independent research into digital-asset markets, risk management and investment decision-making.
• Developed a practical understanding of market volatility, information evaluation and disciplined financial learning.
• Continuously refine analytical judgement through review of market trends, research sources and investment outcomes.
